CORRESPONDENCE COURSE

TEST ONE

FOR LESSONS 1-4

THIS multiple-choice test is designed to help you review the subjects you studied in your Bible with the preceding four lessons. It's an enjoyable way of putting to *use* some of the vital knowledge and understanding you have gained through this course.

Notice that there are *four parts* to the test, each part covering one of the previous four lessons. You should take this test *after finishing* your studies with these four lessons.

Also notice that you must select one of the four choices given under each question or incomplete statement. These choices are labeled A, B, C, D. Only *one* is correct. The other three choices are *wrong—unless* stated or indicated otherwise. Usually they are false ideas believed by the majority of professing Christians today, or by those who do not believe in the Creator God and the divine inspiration of the Bible.

From among the four choices, select only the *one* that you believe to be correct and *circle* the letter of that choice with a pen or pencil. As an example, the correct choice for question one is already circled for you.

Take sufficient time to understand each question or statement, as well as the choices. Try to do as many as you can without referring to the previous four lessons. If you have any difficulty deciding on the correct answer, then *review* the part of the lesson covering the point under question or the statement to be completed. We expect you to do so—it isn't cheating!

Once you have finished the test and are satisfied with all of your answers, *transfer* them to the test

answer card that accompanies this test. Simply place an "x" in the box corresponding to the letter of the choice you have circled for each question or statement. As an example, number one on the test answer card is already marked correctly for you. Take *special care* in transferring your answers to the answer card so that you do not make an error during this step.

When you have completed the entire test and have transferred all of your answers to the test answer card, follow the directions for returning it to our office you normally write to. There it will be graded and mailed back to you. Our mailing addresses are printed on the reverse side of the test answer card instructions and on page two of this test.

We will continue to send you additional lessons as long as you sincerely desire to understand more of God's Word with the help of these lessons. So be sure to *take this test* and send us your completed test answer card!

About Your Score

Your graded test answer card, showing your exact score, will be returned to you. A score of 75 percent or above is a passing grade. After satisfactorily completing this test, Lessons 5 through 8 will be sent to you at the rate of one per month. Test Two will be included with Lesson 8.

Remember: No further lessons will be sent to you unless you complete and return the enclosed test answer card for grading.

Now you are ready to begin the test!

The Staff

YOU would be shocked to know the "Bible I.Q." of most professing Christians in the United States today! A recent survey conducted by a Bible society found that 98% of all American homes contain at least one Bible. Yet, another survey showed that the vast majority of those who claim to be Christians are "Bible illiterates"! Most simply *don't read* the book they profess to regard as the "Word of God." But why?

Most of those who do try to read the Bible find they *cannot understand* it. And so back on the shelf it goes. Consequently, most who profess the name of Jesus Christ do not even know what He said!

There is a reason *why* so many don't understand the Bible. Jesus said: "In them is fulfilled the prophecy of [Isaiah], which saith, by hearing ye shall hear, and shall not understand; and seeing ye shall see and shall not perceive. For this people's . . . ears are dull of hearing, and their eyes they have closed; lest at any time they should . . . understand with their heart, and should be converted, and I should heal them" (Matt. 13:14-15).

The startling fact is that the world has been *spiritually blinded!* This simply is *not the time* for most people to be called by God (John 6:44). God has *not yet* opened their minds to understand the marvelous truth about His purpose for mankind. (Future lessons will explain why.)

God has allowed the world to be spiritually deceived (Rev. 12:9; II Cor. 11:13-15). Spiritual blindness covers all nations (Isa. 25:7). But God is beginning to remove this blindness from *some* through His Church that is preaching Christ's Gospel of the Kingdom of God to the world.

To those of you who are taking this course and whom God *is* calling, Christ says, "Blessed are your eyes, for they see; and your ears, for they hear" (Matt. 13:16). Those who seriously study their Bibles with the help of these lessons become biblical literates!

God said His truth would be ". . . precept upon precept, . . . line upon line; here a little, and there a little . . ." (Isa. 28:10, 13). This is one way He has hidden His truth from an unbelieving, self-willed world. It is also how He teaches you today. These Ambassador College Bible Correspondence Course lessons draw from *all* of God's Word in this way.

God is revealing His truth to you through this easy-to-follow, step-by-step approach to studying

- will never become a reality.
 - is a total impossibility under present world conditions.
 - is very possible under the present moral, social and political climate.
 - is merely an absurd myth—an idle pipe dream of overly optimistic men.
78. How will a *utopia* of world peace and prosperity finally become reality?
- By a worldwide revival in the churches.
 - Through a greatly strengthened NATO and U.N.
 - By men deciding to cooperate with one another in all areas of life.
 - Only through the coming divine, all-powerful government of God administered by Jesus Christ.

79. What is the Millennium?
- The period of time the saints will spend in heaven after being resurrected.
 - The period of church rule in Europe during the Middle Ages.
 - The 1,000-year period of God's rule on earth beginning when Jesus Christ returns.
 - A spiritual condition in the hearts of men.
80. Cities in the Millennium will
- be rebuilt to God's specifications.
 - have absolutely no industry.
 - be as centralized and large as today's cities.
 - be great industrial megalopolises.
81. Cities in the World Tomorrow will be
- much more spacious and liveable.
 - built with family life in mind.
 - safe to walk in at night.
 - All of the above.
82. Which of the following will NOT be true in the wonderful World Tomorrow?
- The whole earth will undergo remarkable changes.
 - The earth will remain as it is today.
 - Waste places and deserts will become fertile.
 - The nations will be reforested on a grand scale.
83. After Christ returns to rule the world,
- He will establish one pure language.
 - material abundance will become commonplace because of widespread obedience to God's Law.
 - the former territory of ancient Israel will resemble the Garden of Eden.
 - All of the above.
84. Christ's government will
- deny private ownership of property during the Millennium.
 - enforce harsh laws on earth's inhabitants.
 - provide true justice for all.
 - practice communism in its purest form.
85. How will mankind be liberated from sickness and disease in the utopia of tomorrow?
- Through miraculous healing and obedience to God's health laws.
 - Through a highly trained medical profession equipped with totally new methods of treatment.
 - Christ will suspend the laws governing health.
 - Through "miraculous" drugs that will prevent illness.
86. The river that will flow east and west from the Temple in Jerusalem will
- be symbolic of the tears Jesus shed over this city.
 - not be a physical counterpart of God's Holy Spirit.
 - be symbolic of the Spirit of God, which will "heal" the physical, mental and spiritual problems of mankind.
 - quickly be swallowed up and lost in the parched sands of the southern desert.
87. Jesus Christ qualified to be "King of kings"
- only in a spiritual sense.
 - by overcoming Satan's temptations.
 - but has His Church rule in His place.
 - and was coronated in Jerusalem.
88. Christ's coronation as "King of kings"
- will have taken place in heaven before His Second Coming.
 - took place when He conquered Satan the devil.
 - is not really necessary for Him to rule the earth.
 - will take place after He returns to rule the earth.
89. As "King of kings," how many *great* crowns will Christ have?
- Three, representing rulership over heaven, hell and earth.
 - One.
 - Seven.
 - Many.
90. The coming world government will
- finally become reality through the efforts of great statesmen.
 - be a coalition of man's and God's governments.
 - be established by Christ when He returns.
 - be the last of a long succession of human governments.

91. At the beginning of the Millennium, Christ will
- hesitate to assert His authority to rule.
 - not deal severely with the rebellious.
 - take away free moral agency from mankind.
 - grant resurrected Christians co-rulership with Him over the world.
92. Which one of the following is NOT a reason why the world will have to be reeducated at the beginning of the Millennium?
- Because modern education is based on the Bible.
 - Because modern education has totally rejected the foundation of all knowledge.
 - Because people lack the spiritual knowledge of God.
 - Because Satan has deceived the world.
93. The primary goal of Christ's reeducation program will be to
- reform the world's economic system.
 - teach man how to fulfill his democratic responsibility.
 - develop the whole man—physically, mentally, emotionally and spiritually.
 - revitalize the many Christian churches.
94. The resurrected saints will
- have little to do with education in tomorrow's world.
 - educate as well as rule over people.
 - rule, but not educate in the Millennium.
 - seldom be able to appear in a material body at will to conduct their duties.
95. What are the results of *true* education?
- True repentance—turning to God's truth and way of life.
 - Happiness and joy.
 - Material blessings.
 - All of the above.
96. How successful will Christ's reeducation program be?
- Only the descendants of Israel will come to know the way of God.
 - The Egyptians and Ethiopians will be the only Gentiles to be reeducated to God's way of life.
 - The whole world will come to know God's truth.
 - It will be a total failure!
97. Universal obedience to God's Law in the World Tomorrow will
- result only in material blessings.
 - produce temporary world peace.
 - last for a short while.
 - result in universal peace, prosperity and happiness for 1,000 years.
98. The most important change destined to occur in tomorrow's world will be in
- man's hostile attitude toward God.
 - the nature of animals.
 - the weather.
 - the languages.
99. How will the change in man's basic attitude become possible?
- Through human reason.
 - By people receiving God's Holy Spirit.
 - Through self-righteous effort.
 - Certainly not through any conscious personal effort.
100. What will actually make the World Tomorrow a literal utopia?
- Great material abundance.
 - Beautiful cities.
 - A verdant earth.
 - The love of God's Holy Spirit that will be given to all repentant, obedient individuals.

Final Instructions

Now that you have finished the test, transfer your answers to the test answer card. Also please follow the instructions for returning it to our office you normally write to, where it will be graded and returned to you. Be sure to *keep* this test together with your lessons.

You will find it profitable to *review* the test

questions and the correct answers occasionally. This will help to further cement the truth of God's Word firmly in your mind. And reviewing the false answers will help you to clearly see some of the false ideas you may have assumed to be God's truth. You will thereby grasp and retain new truth more easily with the help of future lessons.

INSTRUCTIONS FOR THE TEST ANSWER CARD

Dear Student:

Below is the test answer card for the enclosed multiple-choice test. Please do not separate it from the instructions you are now reading until just before you mail it. Keep it in your notebook until you are ready to transfer your answers from the test to the card. Complete instructions for taking the test are found on page one.

Before you put this card in your notebook, please note the *test number* on the front page of the test. Write that number on the answer card below in the box labeled "Test Number."

Just before mailing, separate the test answer card from these instructions by tearing along the perforations, being careful *not to fold or bend* the card. Be sure to print the address of our Correspondence Course office you normally write to on the lines provided on the opposite side of the answer card. The

addresses of most of our offices worldwide are listed on the reverse side of these instructions.

If any part of your name or address on the mailing label is incorrect, please print the necessary changes on the label itself. Do *not* remove the label. Finally, put a stamp on the card and mail it. Please allow approximately six weeks to receive your graded test card.

Remember: No further lessons of The Ambassador College Bible Correspondence Course will be mailed to you unless you return the test answer card for grading. So the *sooner* you finish the enclosed lesson and take the test, the *sooner* you will receive the next exciting lesson!
